

THE STAFF AT WWT FAMILY HEALTH CENTER

Jeffrey Atkins, MD

Dr. Jeffrey Atkins will be joining the WWT Family Health Centers with our new partnership with Mercy. He was born in Michigan, then raised in the St. Louis area. He attended Saint Louis University for his undergraduate education and went on to University of Kansas for medical school. He did his residency in Indiana with a Family Practice Program. After spending 17 years in a private practice with family medicine, he transitioned to Urgent Care. He is a Family Medicine Doctor and very eager to work with World Wide Technology employees and their families. Dr. Atkins has three children and will soon be a grandfather for the first time. When he is not practicing medicine, you can find him collecting and tasting wine, checking out new restaurants, and reading books on the American Revolution. We are so excited to welcome Dr. Atkins into our WWT/Mercy Family!

Christy Williams, RN

Christy Williams is the Lead Registered Nurse at the St. Louis location. She received her Bachelor of Science in Nursing from Goldfarb School of Nursing at Barnes-Jewish College. Christy has been with the Family Health Center for almost two years and her favorite part of the job has been getting to know the employees and their families personally. She has developed trusting relationships with her patients during her time. Christy stays busy watching her daughter play on the Lindenwood University soccer team, traveling, biking, and going to wineries.

Michelle Warren, RN

Michelle Warren is the Lead Registered Nurse at the Illinois Family Health Center. She has been working with WWT since November 2016. Michelle enjoys the variety of a medical setting like the this one. It always keeps her on her toes working with different patients and issues. When she is not at work, you can find her spending time with her husband and three little boys. They love to be outdoors!

Shannon Johnston, NP

Shannon Johnston, the full time Nurse Practitioner in both WWT Family Health Centers, has been taking care of our employees for almost two years now. She received her Bachelors of Science in Nursing from Rockhurst University and her Masters of Science in Nursing from Maryville University. Her favorite part of working at WWT is not having to worry about insurance coverage for her patients. To know we have free medication and great care right here on site helps her keep patients compliant. In her spare time, she can be found with her family. Between soccer practice, baseball games, softball, piano lessons, her two little ones are always keeping her busy.

Kelly Martin, NP

Kelly Martin is a Nurse Practitioner who has been working with WWT over in the Illinois Family Health Center location. She has been an NP for nine years and an RN for 24 years before that. She typically works a few days a week at the WWT FHC and teaches nursing courses online. She completed her nursing education at Lewis & Clark Community College, McKendree University, University of Phoenix and Southern Illinois University Edwardsville. Kelly is currently working on her Doctor of Nursing Practice through UMSL. In her spare time she likes crafting, camping, boating and reading. She also loves to spend time with her many pets and spoiling her grandchildren.

Savannah Yost, MA

Savannah Yost is the Medical Assistant at the Missouri Family Health Center. She received her training and certification from the CALC Institute of Technology in Alton, Illinois. She started with the WWT Family Health Centers in November 2016. Savannah loves the atmosphere of WWT and getting to know all of the employees who with here. She stays very busy with her four children, but when she does get spare time she enjoys the outdoors going on walks and through park trails.

Jennifer Frank, MA

Jennifer Frank is the Medical Assistant at the WWT Family Health Center in Edwardsville. She has been with the health center since the day it opened; right about two years. Jen received her training and certification from Southwest Illinois College (SWIC). She loves helping the employees and knowing it is at no cost to them. On the weekends, Jen can be found barrel racing, riding horses and spending time with her boyfriend.
