

WORLD WIDE TECHNOLOGY NOW OFFERS BREAST MILK SHIPPING

World Wide Technology has partnered with Milk Expressed for concierge breast milk transport services!

Make Travel Easier

Milk Expressed domestic breast milk shipping makes it easier for nursing Moms to travel by overnighting daily milk deliveries back to baby, no dry ice required. You don't have to stock the freezer, get nervous about TSA, or pump & dump.

Focus On Your Trip

Milk Expressed takes care of the logistics so you can focus on your trip. Milk Expressed domestic shipping services provide directions for shipping from each location, send delivery alerts, and manage any shipping issues automatically.

Travel Internationally

For international travel, the Milk Expressed Freeze & Check International Travel Kit helps you bring milk home safely, without losing milk at customs or a security checkpoint.

HOW MILK EXPRESSED DOMESTIC BREAST MILK SHIPPING WORKS:

Mom shares travel details on milkexpressed.com

shipping kits are waiting for Mom when she arrives at her hotel

Mom quickly packs & drops off the previous day's milk at the hotel front desk in the morning

milk is shipped back home to baby and Mom and caregiver receive delivery alerts

the baby's caregiver uses, refrigerates or freezes the milk when it gets home

DOMESTIC TRAVEL

Overnight milk back to baby with either a One Day of Breast Milk Shipping Kit (holds up to 30 oz.) or a Two Days of Breast Milk Shipping Kit (holds up to 66 oz.).

Milk Expressed will provide you with directions for shipping from your location and will send you delivery alerts. Milk Expressed will help manage any shipping issues so you can focus on your trip.

INTERNATIONAL TRAVEL

Avoid losing milk at customs or international security checkpoints and use the Freeze & Check International Travel Kit to keep milk frozen for up to 24 hours of travel. The durable Coleman cooler holds up to 9 days of frozen milk (270 oz. or 45 6-oz. bags) and can handle travel in the airplane hold.
